Cc: Robert Wheeler, OK-1 District Administrator;

The Charter Committee met on March 28, 2012, to consider your league's request to operate Tulsa Little League with one charter and one division. The Charter Committee has approved this request. The Committee reserves the right to review and, if appropriate, require the league to operate in divisional format, split, or further reduce boundaries in the future.

Thank you for your unending dedication to our program and good luck in the upcoming season.
